#46

2025

QS International Trade Rankings

The International Institute in Geneva (IIG) is an accredited higher education institution offering bachelor and master programs. Its global outlook is reinforced by more than twenty-two international partnerships, including **double degree options** with the University of Plymouth (UK) and Boston University (USA). The curriculum integrates rigorous academic theory with practical, real-world applications, and the international exchange opportunities allow students to spend a semester at renowned universities around the world.

### WHY STUDY WITH US

We combine practical learning, critical thinking, and solid academic foundations to prepare you for the real world. You learn in modern, collaborative spaces and benefit from industry connections that create opportunities during and after your studies.

### ADMISSIONS OPEN

Apply online in just a few steps. Scholarships and financial support options are available for qualified candidates.

## DOUBLE DEGREE OPTIONS
